

Leaf is Asleep

叶子在睡觉!

BY Wendy
June 2012

轻轻摸一摸, be gentle!

I was sitting on the bench and watching the boys making a sandcastle-mudcake-pancake thing when you came and sat next to me. We enjoyed the warm winter sunshine and chatted a little bit about Ryan and your family. Suddenly you touched the little leaves behind us and whispered "the leaves are sleeping. Shhhhh!" you touched one very gently and explained that we had to be gentle so that we would not wake them up.

Wendy's Reflection:

I was fascinated by your idea of the leaves sleeping. You touched the leaf with such gentle hands to show your love and care towards the environment around you. Your gentle ways really reminded me that we did need to show this kind of love and care towards our mother nature.

I was happy too that you talked to me a lot today in Chinese and I also noticed the progress you have made in English language when you played with your fellow friends like Mikayla and others. Chloe I was so happy to see your growth.

Listen! 仔细听一听!

"叶子睡觉了!" (The leaf is asleep!)

今天我坐在沙池旁边时, 你走过来坐在旁边, 我们一起享受冬日的暖阳。闲聊了一会, 你忽然摸了背后的叶子, 轻声对我说“叶子在睡觉!”你那么轻柔地摸了, 然后轻轻又摸了另一片叶子, 一片又一片, 微笑着说“叶子在睡觉!”

Wendy的话:
叶子在睡觉! 你的想法真让我着迷。看到你那么轻柔地对待叶子, 我知道你很有爱心, 对周围的环境。你这么轻柔地对待小小的树叶真的是很了不起。我们都应该这样充满爱心和谨慎地对待我们的大自然! 我很开心你今天能表达那么多话。能一起读中文真好啊! 我也注意到你的英文在不断进步, 因为你经常和你的小朋友, 比如Mikayla一起玩耍! Ohho, 我好高兴看见你一天天成长进步!

轻轻摸一摸, be gentle!

今天我坐在沙池旁边时，你也走来坐在我身边。我们一起享受冬日的暖阳，闲聊了一会儿。你忽然摸了摸我们身后的叶子，悄声对我说“叶子在睡觉！嘘~”你把耳朵凑近听了听，然后轻轻地又摸了另一片叶子，一片又一片，微笑着说“叶子在睡觉！”

Wendy的反思：

叶子在睡觉！你的说法真让我着迷。看着你那么轻手轻脚地对待叶子，我知道你好有爱心，好在乎我们周围的环境啊。你这么温柔地对待小小的树叶真的是提醒我，我们都应该这样充满爱心和温柔地对待我们

Wendy好自然地和我说那么多话，能一起说中文多好啊！我也注意到你的英文在不断进步，因为你整天都和你的小朋友，比如Mikayla一起玩啊！Chloe，我好高兴看见你这样一天天成长进步！

Listen! 仔细听一听！
