

# Explore the Artist Within

Brought to you by Wendy Lee and Gaye Jurisich

## Exploring art to develop literacy and cultural knowledge in early childhood

Kaiako expertise in art education and personal engagement is a major factor in the success of any quality art programme at your setting.

Throughout this programme we will explore the importance of becoming increasingly aware of the enthusiasms, passions, interests and spirit of mokopuna, and the importance of kaiako responding to these.

We invite you to explore the artist within!
