The Statement of National Education and Learning Priorities (NELP) set out the Governments priorities for education that will ensure the success and wellbeing of all learners. It is a statutory document issued under the Education and Training Act 2020 that direct government and education sector activities towards the actions that will make the biggest difference, and ensuring that we are able to strengthen the education system to deliver successful outcomes for all learners/ākonga.

Throughout the day we will unpack what this important document means for us in ECE:

- How can the unique place of Māori as tangata whenua can be reflected in service curriculum planning, assessment, and evaluation?
- How are mokopuna given opportunities to develop knowledge and understanding of the cultural heritages of both parties to Te Tiriti o Waitangi?

Morning tea, lunch and afternoon tea provided

Free to attend - fully funded by the Ministry of Education, provided by Educational leadership Project
