

# STRENGTHENING *The NELP*

## MINISTRY OF EDUCATION FUNDED WAANANGA HAMILTON CITY & WAIKATO DISTRICT ECE SERVICES

How are you using the NELP priorities, alongside your own local priorities, to help every learner/ākonga to progress and achieve their aspirations?

The Statement of National Education and Learning Priorities (NELP) set out the Governments priorities for education that will ensure the success and wellbeing of all learners.

Throughout these two waananga we will find ways to guide processes and practices to support quality learning for tamariki and their whānau at your place.
